

# Finish It Off With Class

# SKIRTING & ACCESS

Table skirts, along with table top covers, provide a classier look to your tables. They can also color-coordinate your tables with pipe and drape or other elements in the room.

## Table Skirts

For tables, counters, stages and trash receptacles

Available in three styles of pleat:

- **Mini-Accordian:** the typical trade show pleat; distance between pleats is 1"; yields a fullness of approximately 1.5 to 1. Available materials: Premier, Banjo Cloth, PolyKnit.
- **Shirred:** the most common type of banquet skirting; pleats are in a continuous gather; yields a fullness of approximately 2 to 1. Available materials: Premier, Poly Suede
- **Box:** the highest quality pleat; individual 3" boxes of clothline up and down the skirt; yields fullness of approximately 2.5 to 1. Available materials: Premier, Velor, Poly Plush, Poly Suede

## Table Top Covers

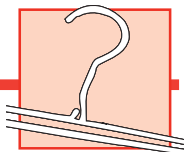

For use with our table skirts, we offer table top covers (for both six- and eight-foot tables) made of Premier cloth. Vinyl table-top cover are also available.

## Table Throws

As an alternative to skirting, get the "table cloth" look with our table throws. Throws can feature your organization's logo. For six- or eight-foot tables of standard height and width, throws cover the top and all sides to the floor.
